MEDIA ARTS: PODCASTING

Students are exploring the world of podcasting using the *Audacity* program. They are learning how to record and edit sound, with the ultimate goal of producing their very own polished podcast. At this stage, students are developing their skills by experimenting with the tools available in *Audacity* and learning how to script effectively for different podcast styles. This exciting project encourages creativity, collaboration and communication while building valuable digital skills.

Principal's Address – Mrs Robb

I would like to say a big thank you to all who contributed to our Athletics carnival which have been held the last Wednesday. Thank you to our parents who came along and either marked, timed, judged or cheered. It is wonderful to see you giving up your time to support your children and help the school. To the teachers, your work in the bays and efforts in getting the students ready for our carnival was fantastic.

To our students who participated, the sportsmanship and support that each and every student showed towards each other was outstanding and a reflection of all our sensational families at Jerramungup District High School. To our high school students who came to the carnival, your enthusiasm when competing and your help on the day was a credit to you all.

And lastly but certainly not least the biggest THANK YOU to Rebecca Altham. These days are never easy to organise, so much effort goes into putting this day together.

Thank you also to the P&C for their organisation of the Sundowner nibbles and sausage sizzle afterwards. It was a fantastic way end to the day.

CONGRATULATIONS also to our students who have been selected for the Interschool team in Ongerup on Friday 19th September!

Jerramungup will be hosting the District High School Interschool Carnival next term, and we will be looking for some helpers for the day, if you keep that day locked away in your calendar that would be great.

Learning Journey

Don't forget that we will be holding our Learning Journey, Community Picnic and Market Day in school on Tuesday the 16th of September. The school will be providing free lunch for all students and parents as they take their time to look through the market stalls that our Year 5-10 students have put together as part of their Economics studies this term.

The Market Day and Lunch will be happening from 12.30-2pm. Classrooms will be open from 1.30pm for students to walk through with their parents to look at what has been happening this year. It is a good chance for those parents who don't always get into school, for their children to show them some of the things they have been doing in the classroom.

Year 3/4 Assembly – 14th August 2025

Students from the Year 3/4 class recently presented a thoughtful and engaging assembly, showcasing their learning from the Safe 4 Kids program about the important concept of *public versus private*. They confidently explained the differences between what is safe to share publicly and what should remain private, using clear examples to help the audience understand. The students ran a short quiz, testing the knowledge of the other students, which was both informative and fun. They should be proud of their performance.

BookWeek Parade

Our school celebrated Book Week with a spectacular parade filled with colour, creativity, and laughter. Students from both primary and high school showed off their amazing costumes, bringing favourite book characters to life with incredible imagination and detail. The staff joined in the fun too, surprising everyone with hilarious inflatable costumes, and fantastic joint costume as *The Very Hungry Caterpillar*. It was great to see the students work on their public speaking by announcing the book and character that inspired their costume. Congratulations to all the winners of the Best Dressed – it was a tough competition with so many brilliant and creative entries.

Interhouse Athletics Carnival

On Wednesday 27th August, Jerramungup DHS held its annual Interhouse Athletics Carnival. Students from across the school competed with great enthusiasm and determination, showcasing their athletic skills in a variety of track and field events.

The day was filled with energy, sportsmanship, and team spirit as students cheered on their peers and gave their best efforts in every event. It was fantastic to see so many students striving for personal bests and supporting one another throughout the day.

A big thank you goes to staff, parents, and community members who assisted with the running of the carnival, and to everyone who came along to support our students.

Congratulations to all competitors for their outstanding effort and commitment – and well done to the winning house **CAMERON** for taking home the shield this year!

SALT Incursion – High School

On Friday, 29 August our high school students were fortunate to spend the day as tradies with the support of SALT tradespeople. SALT (Supporting and Linking Tradeswomen) is a non-profit organisation that provides mobile, hands-on workshops for young people around Australia. Their focus is for teenagers, particularly young women, to 'try-a-trade' and be introduced to vocational education and trade careers. As they say – jobs don't have genders.
